

Curtin Mauritius

BACHELOR OF ARTS

DIGITAL DESIGN MAJOR WITH MINOR IN ADVERTISING DESIGN

ABOUT THE DEGREE

Digital Design Major (BA)

This major provides students with a comprehensive theory and practice-based education in Digital Design. The major core units focus on key principles and techniques in website design, user interaction/experience design (UI/UX) and app-design. Students will utilise modern digital technologies to develop forward-thinking and innovative design solutions to real-world problems. This programme will provide a comprehensive theoretical and practical education experience aimed at developing the essential creative and practical skills and knowledge to design products and applications using current and relevant digital technologies.

Advertising Design Minor

Minors prepare students to develop broad knowledge about an additional discipline area that complements their study in an award course. This minor provides students with the opportunity to develop their skills and abilities in advertising design
